YOUR PEOPLE ARE MINE

The Original Florida Cast Recording

This cast recording features four leading cantors/cantorial soloists as well as a full cast of outstanding singer/performers from the Tampa Bay area. Cantorial soloists Sharon Reaboi, Colman Reaboi, Joy Katzen-Guthrie, and Cantor Shimon Gewirtz (co-author of the book and music) lead the cast, with additional performances by Cary Reich, Suzanne Rae Lewis, Bonnie Whitehurst, Shoshana Shay, and John Conte. *Your People Are Mine* was staged professionally in Jerusalem, partly sponsored by the Government Tourist Bureau of Israel for almost 12 years and re-created in 2000 with this Florida cast. The show and delightful songs reflect a modern look into the age-old Book of Ruth, with fresh insights into the characters of Ruth, Naomi, and Boaz. Through midrashic sources, rabbinical commentaries, feminist writings and their own imagination, the creators have brought to life the personalities of the biblical tale of Ruth, creating a contemporary story of enduring love, faith, and devotion. Joy appears as Naomi.
